2021 LOTTERY HOME

2826 SF 3 2.5

The 2021 STARS Lottery Home by Van Arbor Homes, re-imagines the Modern Farmhouse aesthetic. Upon entering the front foyer, you will see an open iron staircase that leads to the master loft retreat. The master retreat boasts a 2 sided fireplace which gives separation from the spa like en-suite, closet and the sleeping area. Vaulted ceilings, a floor to ceiling picture window, 2 person shower, water closet, and a personal laundry seem like natural features to this luxurious hideaway. The sunbathed great room and dining room features open truss vaulted ceilings with three dramatic light fixtures that balance the floor to ceiling stone fireplace. The abundance of natural light continues to the kitchen with three oversize skylights highlighting the stone clad island as well as a coffee bar and walk in shelved pantry. The main floor also has a den which could double as a bedroom. Wander downstairs with family and friends to find a cozy wet bar and media area as well as 2 bedrooms, bathroom and laundry room and generous storage area.
